Where Panacea is relying on laws of a member of the European Union or European Union law as the basis for processing Personal Data, Panacea shall promptly notify the Customer of this before performing the processing required by the Applicable Laws unless those Applicable Laws prohibit Panacea from so notifying the Customer;

- (b) ensure that it has in place appropriate technical and organisational measures, reviewed and approved by the Customer, to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);

- (c) ensure that all personnel who have access to and/or process Personal Data are obliged to keep the Personal Data confidential; and

 - (f) notify the Customer without undue delay on becoming aware of a Personal Data breach;
 - (g) at the written direction of the Customer, delete or return Personal Data and copies thereof to the Customer on termination of the agreement unless required by Applicable Law to store the Personal Data; and
 - (h) maintain complete and accurate records and information to demonstrate its compliance with this clause 18

18.5. The Customer consents to Panacea's appointment of Memset Limited as a third-party processor of Personal Data under this agreement, for the provision of hosting services required to fulfil the Services. Panacea will notify the Customer of the appointment of any new Sub-Processor at least one month prior to adoption of the new Sub-Processor. Panacea confirms that it has entered or (as the case may be) will enter into a written agreement with the third-party processor incorporating terms which are substantially similar to those set out in this clause 18.

18.6. Either party may, at any time on not less than 60 days' notice, revise this clause 18 by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when replaced by attachment to this agreement).

(d) each party shall take appropriate technical and organisational measures against unauthorised or unlawful processing of the personal data or its accidental loss, destruction or damage.

21.5. Panacea shall not be responsible for any loss, destruction, alteration or disclosure of Customer Data

caused by the Customer, its Authorised Users or any third party.

21.6. Upon the termination of this Agreement Panacea shall allow the Customer access to the Panacea Software for a period of 10 Business Days for the sole purpose of the retrieval of Customer Data.
