*"Panacea Software allows us to make informed decisions, frees up our time to plan proactively and has cut the prices we pay for our services by 55 – 70%"*

**Lesley Gordon, Haringey Council**

*"There must be few organisations that can afford to ignore this product, especially given the current economic climate"*

**Beverly Barker, London Southbank University**

*"Since starting with Panacea I have seen a definite improvement in the planning, management and implementation of projects. I am also saving an average of 30%-40% on each job. As a small business we did not expect to make this level of savings."*

**Ian Hassett, The Health Club Collection**
